

The Power of Giving

There are numerous companies that take a very active role in their employees philanthropic giving – it is called Corporate Matching Program. Some companies match their employees donation dollar for dollar and others make a grant to the employees favourite charity based upon the employees volunteerism.

In any event it is a wonderful way to enhance the power of giving. The companies below are engaged in some form of corporate matching – see if you company is listed! If so, contact your community investment or HR contact to take full advantage of this program.
