

Inn from the Cold

A Community where no Child or Family is Homeless

COMPASSIONATE

Creating hope

In 25 years, we will celebrate a community where no child or family is homeless.

The work we do here will sustain families and we are blessed to move forward with them.

Achieving stability

Where everyone is accepted and included.

I am thankful for the new building where families can feel safe, supported and be close to amenities. Being close to the train station is important.

NIPAATAPIISINNII

WAY OF KNOWING/LIFE

ACCOUNTABLE

Strengthening families

A community in which we have all but eliminated the conditions that give rise to housing challenges and the ability to devote resources toward furthering education, and other opportunities for all members of society.

That we live in a community where poverty is history and we have enough for all.

COURAGEOUS

Transforming lives

A community where our vulnerable have easy access to assistance and aid. The ability to remove one major stress for families in crisis.

In the future, I foresee a passionate team and community that embraces families in need with the resources, love and support necessary to transition from poverty and homelessness to a loving home.

INCLUSIVE

Housing security for all families.

Ending family homelessness

WHAT IS YOUR VISION FOR THE FUTURE?

RESPECTFUL

25 YEARS IS ENOUGH

I want to thank all staff.

Each one of you are a great support.

I appreciate you being there in our time of need.

You are wonderful!

Keep up the awesomeness!

All our gratitude and thanks!

Our family is closer with a higher outlook on life and goals.

For over 25 years, Inn from the Cold has been helping vulnerable families find stability in times of crisis. As the largest organization in the Calgary region that is dedicated solely to families experiencing a housing crisis, we believe that a community where no child or family is homeless is possible.

As we look ahead to the future - together, let's put an end to family homelessness. Together, let's end the need for Inn from the Cold.

INNOVATIVE
