JOIN INN FROM THE COLD IN A CELEBRATION OF COMMUNITY & CULTURE

Oki, , Âba wathtech, Da ni t'a da, Tansi, Tawnshi, Hello!

Our commitment to honouring and valuing Indigenous worldviews and ways of knowing is an important part of the work we do with children, youth, and families at Inn from the Cold. With your support, we are able to make traditional Indigenous events like our Powwow accessible to our families and the wider community. Our Powwow event aligns with the Truth and Reconciliation Commission of Canada's Calls to Action and the Principles of Truth and Reconciliation, offering a critical opportunity to forge meaningful connections with the Indigenous community. This is a vital step towards achieving reconciliation, as all Canadians, as Treaty peoples, share the responsibility for building and maintaining mutually respectful relationships.

This event will unite Elders, families, community members, donors, local businesses, and artisans. These connections will lay the groundwork for future reconciliation efforts within the community and at Inn from the Cold. Guided by Indigenous worldviews, the relationships and connections we foster with those we serve form the foundation of our services. Inn from the Cold is honoured to welcome people of all backgrounds to our community celebration, and we cannot achieve this without the support and generosity of individuals like you.

We are proud to host this Powwow as a way of strengthening our commitment to reconciliation, healing, and breaking the cycle of intergenerational trauma. We hope that you will consider partnering with us in our commitment to celebrating the rich Indigenous culture by supporting the third annual Kiittaamoko Passkaan (Everyone Dance) Powwow.

ABOUT INN FROM THE COLD

At The Inn, we are dedicated to helping families overcome the obstacles that can lead to a cycle of homelessness. Every family that asks for our help receives compassionate, trauma-informed care designed to empower independence and foster resilience.

For over 27 years, The Inn has been a lifeline for vulnerable families, guiding them to stability in times of crisis. As Alberta's only dedicated family shelter, The Inn is a vital lifeline for families experiencing homelessness. We provide essential shelter, support, and the resources families need to regain stability and independence.

Through innovative, holistic, and housing-focused programming, we support families at every step - from preventing homelessness to providing shelter, securing stable housing, and addressing their unique needs with comprehensive support.

At Inn from the Cold, we understand that each family is unique and faces different circumstances and that this diversity adds to the complexity of their needs. With this in mind, we work closely with each family to create a personalized plan that addresses their needs and helps them build the skills necessary for long-term stability, well-being, and resilience. We also strive to apply a culturally diverse lens and Indigenous worldview to our support, recognizing the diversity of the families we serve.
